Entwicklung und Produktion  
für industrielle Elektronik

Datalink - The Engineering Company

## Our team is our capital

We are high enough for  
stability and continuity and  
we are also small enough to  
be quick and efficient.  
5 MP (1FP)

Entwicklung und Produktion

Datalink - The Engineering Company

# All in One

**..with ONE  
Contact**

## Value Added

Technical consultants  
Hardware- und Software  
Engineering  
Re – Design, CAD Layout  
Certification UL, EMV, ESD  
Prototyping  
Procurement  
Function Test  
Fast Repair  
Commissioning

## Manufacturing Processes

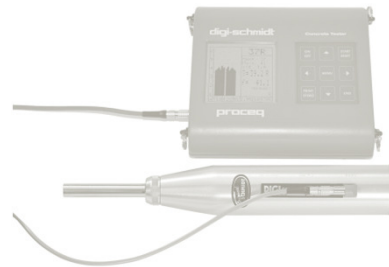

Wiring Cabinet  
Mechanic Production  
SMD, THD Equip  
Test Equipment  
SW, Firmwareload  
Assembly  
PCB Paint
